Dear Brother Drost and members of CUPE NB,

I am writing to you on behalf of the executive at CUPE 3906 in Hamilton Ontario to express our support and solidarity for your membership at this time. Public sector working conditions shape the conditions of communities at large and we know the Higgs government has ample funds to reach a fair deal with CUPE members, whose work helps keep the province running. Instead, Premier Higgs has abhorrently chosen to attack working people and to use austerity tactics while protecting the rich. We recognize your collective power and we strongly support CUPE NB taking job action and striking for the public good.

In Solidarity,

Sharoni Mitra
