Stephen Drost  
President, CUPE NB  
91 Woodside Lane  
Fredericton, NB

Dear Brother Drost:

On behalf of the members of ILA Local 273, we want to express our solidarity and support to CUPE NB and your membership. It is unbelievable how this Government has been treating its workers, especially all of the frontline workers who have risked so much to keep New Brunswick open during the pandemic.

Premier Higgs continues to push CUPE toward job action that no one truly wants but has no choice to take. When the time comes, ILA Local 273 will be standing shoulder to shoulder with our CUPE Sisters and Brothers. United we will send a clear message to Premier Higgs.

In Solidarity,

Brian Duplessis  
Secretary-Treasurer  
Business Agent
