

## Bargaining Forward: update from the Centralized Bargaining Team

Presidents of CUPE Locals 1190, 1251, 1252, 1253, 1418, 1840, 1866, 2745, 5017 and 5026 have met and carefully considered the current public health crisis. We have agreed that we will not be pulling members off the job in strike action during the 14-day period of newly imposed restrictions. We feel this is in the best interest of the public. This decision will be re-evaluated on October 22nd.

During that 14-day period, we will continue increasing pressure in other ways. Updated information and direction will come from your elected local executive. Stay in contact with your local.

We must all continue actions to achieve fair collective agreements.

In solidarity,

*The CUPE Centralized Bargaining Team*
