

# TO ALL CUPE MEMBERS: A VOTE FOR A PC CANDIDATE IS A VOTE FOR HIGGS

- Political party policies determine the laws that party will make when in power.
- The historical actions of a political party in power will tell you how they will govern if elected in the future.
- Political parties require MLAs to vote based on their political parties' priorities, NOT their own interests.
- One MLA in a governing party cannot change the political parties' priorities on their own.
